

Dave Stuart

Dave Stuart (WECA Chair) is sales and engineering manager at Stafford Engineering, coming from the shop floor after completing a fitting and turning apprenticeship in the transport industry.

Dave started with Stafford Engineering in 1993, achieving NZCE in Mechanical Engineering moving through various roles of design, project management and then into sales. In 2010 Dave became a shareholding partner of Stafford Engineering and he has been involved in WECA almost eight years.

THANKS TO WECA SUPPORTERS:
